STIPULATION AND $\overline{\text{(PROPOSED)}}$ ORDER RE EXTENSION OF TIME Case No. 17-cv-03440-DMR

Pursuant to Civil Local Rules 6-2 and 7-12, the parties, by and through their respective Counsel, hereby stipulate to move the deadlines for completing discovery and filing dispositive motions, if any. These changes are necessary in order to accommodate the production of additional documentation by the parties and the scheduling and conducting of depositions in light of COVID-19 related orders and concerns.

The parties have previously stipulated to extend the deadline for Defendants Hamamatsu Corporation and Photonics Management System to respond to the Complaint by 90 days—thus allowing them to have the same response date to the complaint as Defendant Hamamatsu Photonics K.K.—and to further extend the deadline for Defendants to respond to the Complaint by four weeks following the lifting of the stay pending *inter partes* review of the sole asserted patent. The parties later stipulated to extend the deadline for Defendants to answer the Complaint by one week after the Court's order denying Defendants' motion to dismiss. The parties also stipulated to extend by one week the time for Plaintiff to file its reply brief in support of its claim construction positions. The parties have not made any other requested extensions, and this stipulation affects only the dates recited below that have been set by the Court.
